**RECEIVED**

OCT 27 2004

**OFFICE OF PETITIONS**

Dear Sir:

Although status as small entity for the above-mentioned application was established in good faith and fees as small entity have been paid in good faith, we have now discovered that such status was established in error.

The assignee of the application is Network Engineering Software, Inc., a small business concern or nonprofit organization under 37 CFR 1.9. However the assignee has an obligation under contract or law to assign or license rights in the invention to a concern that would not qualify as a small business concern or a nonprofit organization under 37 CFR 1.9.

450.00 OP

Accordingly, we submit payment of the deficiency between the amount paid on 5 PM 12: 57 March 30, 2004, \$560.00, and the amount currently due \$1,010.00, for the filing fee. Accordingly, attached is a check in the amount of \$450.00. No other fees have been erroneously paid under small entity status.

Applicants submit that no additional fees are requested at this time; however, if applicant has not paid sufficient fees, please consider this as an authorization to charge our Deposit Account No. 50-0612 for any fee which may be due.

Respectfully submitted,
